

List of Allied Subjects

Sl.no	Subject / Discipline	Allied Subject / Discipline
1	Anthropology	Anthropology , Folklore
2	Applied Science (Chemical Science)	Chemistry, Material Science & Tech, Applied Science, Nano Science & Nanotechnology
3	Applied Science (Material Science & Tech)	Chemical Science, Mathematical Science, Physical Science, Nanoscience & Nanotechnology
4	Applied Science (Mathematical Science)	Mathematics, Applied Sciences, Material Science & Technology
5	Applied Science (Physical Science)	Physics, Instrumentation, Electronics, Material Sciences and Tech, Applied Sciences, Nano Science and Nanotechnology
6	Arabic	Persian, Philosophy, Islamic studies, West Asian Studies, Folklore, Arab Culture, History, Comparative Religion, Compartative Literature
7	Assamese	MIL (Assamese, Bengali, Bodo etc.), English, Folklore, Linguistics, Philosophy, Psychology, History, Anthropology, Computer Science, Sociology, Sanskrit, Foreign Languages
8	Bengali	MIL (Assamese, Bengali, Bodo etc.), Women Studies, Philosophy, History, Comparative Literature, Cultural Studies, Sanskrit, Linguistics, Folklore, Perso-Arabic Connection, Sociology
9	Bioengineering & Technology	Botany, Zoology, Microbiology, Bio-chemistry, Biological Science, Life Science, Environmental Biology, Chemistry, Medical Science, Veterinary Science, Agricultural Science, Food Technology, Genetics, Bio Medical Engineering
10	Biotechnology	Botany, Zoology, Microbiology, Bio-chemistry, Biological Science, Life Science, Environmental Biology, Chemistry, Medical Science, Veterinary Science, Agricultural Science, Food Technology.
11	Bodo	MIL (Assamese, Bengali, Bodo etc.), Folklore, English, Economics, Linguistics/Comparative Literature , Cultural Studies, Women Studies, History, Foreign Languages, Sociology
12	Botany	Biotechnology, Microbiology, Molecular Biology, Biochemistry, Bioinformatics, Ecology, Environmental Science, Biophysics, Genetics, Physiology(Plant), Genetic Engineering, Soil Science, Plant Pathology, Agriculture(M.Sc.), Tea Science, Horticulture, Floriculture, Life Sciences, Sericulture, Wildlife, Forestry, Silviculture, Anthropology and Zoology
13	Business Administration	Commerce, Economics
14	Chemistry	Environmental Science, Biochemistry, Applied Chemistry, Industrial Chemistry, Material Science, Food Science, Geology & Geochemistry, Analytical Chemistry, Physics, Bio-technology, Pharmaceutical Science, Chemical Engineering, Chemical Biology, Chemical Science, Nano Science & Nanotechnology.
15	Commerce	Economics, Business Adminastartion

List of Allied Subjects

16	Computer Science	Open for all subjects
17	Economics	Open for all subjects
18	ECT	Microelectronics & Advanced Communication (MEAC), Instrumentation, Physics, Applied Science(Physical Science), Computer Science, IT, MCA, Electronics & Communication Engineering(ECE), Electrical & Electronics Engineering(EEE)
19	Education	History, Economics, Political Science, Sociology, Psychology, Folklore
20	ELT	Linguistics
21	English	Womens Studies, Comparative Literature, Cultural Studies
22	Environmental Science	Physics, Chemistry, Mathematics, Zoology, Botany, Bio-technology, Geography, Geological Science, Agricultural Science, Medical Science.
23	Folklore Research	MIL (Assamese, Bengali, Bodo etc.), Anthropology, Arabic, Economics, Education, fine arts, Geography, History, Linguistics, Philosophy, Political Science,Sociology, Cultural Studies , Women studies, Mass Communication and Journallism, Tourism, Nepali and English
24	Foreign Language (Comparative Literature and Cultural Studies)	MIL (Assamese, Bengali, Bodo etc.), English, Folklore Research, Linguistics, Persian, History, Mass Communication, Political Science, Sanskrit, Sociology, Women studies
25	Geography	Environmental Science, Geology, Anthropology, Rural Development, Folklore, Women studies, Development Science,Sociology, Population studies, Demography, Tourism, Political Science, Gender Studies, Bio-Science, Health Science, History, Cultural Studies, Disaster Management studies, Geo-informatics, Agricultural Science, Economics
26	Geological Sciences	Geochemistry (Chemistry), Geophysics (Physics), Paleontology (Zoology and Botany), Hydrogeology (Civil Engineering), Mineral Exploration (Mining Engineering), Remote Sensing & GIS (Geography, Environmental Science)
27	Hindi	MIL (Assamese, Bengali, Bodo etc.), Comparative/ Constructive Study, Folklore
28	History	MIL (Assamese, Bengali, Bodo etc.), Political Science, Economics, Folklore, Womens Studies, Sociology, Cultural Studies, Philosophy, Anthropology, Archaeology, Education, English, Art History
29	Information Technology	Information Technology, Computer Science, Computer Engineering, Mathematics and Computation, any other subjects in ICT domain.
30	Instrumentation & USIC	Physics, Electronics, Electronics & Instrumentation, VLSI and Embedded System, Bio-medical Instrumentation, Nano Science and Nanotechnology
31	Law	Political Science, Sociology, Environmental Science and Womens Stuidies
32	Lib & Information Science	MC, Computer Sc, Electronics Sc, Statistics, Economics, Management
33	Mass Communication	Open for all subjects

List of Allied Subjects

34	Mathematics	Physics, Statistics, Computer Science, Math Sc
35	MIL & LS	MIL (Assamese, Bengali, Bodo etc.), English, Foreign Languages, History, Political Science, Sociology, Museology, Economics, Philosophy, Anthropology, Library & Information Science, MCJ, Education, Cultural Studies, Performing Arts, Linguistics, Nepali, Tamil and Folklore.
36	Persian	Arabic, Medieval History, Philosophy, Assamese, Russian, Cultural Studies, Folklore, Comparative Literature, West Asian Studies, Arab Culture.
37	Philosophy	Political Science, Psychology, Sanskrit, Folklore, Women Studies, Sociology
38	Physics	Astrophysics/Astronomy, Biophysics, Electronics Science, Instrumentation, Material Science, Mathematics, Nanoscience/Nanophysics/Nanotechnology, Physical Science, Radiological Physics
39	Political Science	History, Sociology, Anthropology, Political Economy, Environmental Studies, Gender/ Women's Studies, Law and Human Rights, Geography, Peace & Conflict, Psychology, Mass Communication, Folklore
40	Psychology	MBA (only HR), M.Sc.Nursing, Disability Studies, Home Science, Sociology, MD in Psychiatry, MD in Community Medicine, MD in Neurology, MD in Pediatrics
41	Sanskrit	Folklore, History, Education, Political Science, Philosophy, Linguistics, Botany, Mathematics, Law, Environmental Science.
42	Sociology	Social Anthropology, Political Science, History, Development Studies, Environmental Studies, Human Ecology, Social work, Gender/Women Studies, Culture Studies & Folklore
43	Statistics	Statistics, Mathematics, Mathematical Science
44	Women's Studies	Open for all subjects
45	Zoology	All Science subjects having application in Zoology.
